

The Globe

The newsletter about international understanding

As the year closes, The Globe also comes to its last issue. Have you always wondered why Ms. Kurasawa and I started writing different topics in "The Globe"? Well, the reason is, as an ALT, I want to expose everyone about different kinds of international topics. I would like to tell you these information, but sometimes we don't have time to do it in class, so in exchange, "The Globe" was born!

I really enjoyed writing different topics on The Globe. I hope we were able to discover new and interesting facts through this newsletter. Please look forward to the next Globe issue in the future!

「グローブ」も最終回となりました。倉沢先生とカール先生が、どうして「グローブ」を書き始めたのか気になりますか。その理由は、ALTとして、色々な種類の国際的な記事について、みんなに知ってほしかったからです。私たちはこういった情報を以前からみんなに伝えたかったのですが、授業で話す時間がなかったため、その代わりとして、グローブが生まれました!
